

ZEN STUDIOS PRIVACY POLICY NOTICE

Effective Date: *TBD*
(Last Updated *TBD*)

We respect the privacy rights of our customers and your privacy is important to us. To further this commitment, and solely in connection with applications or games accessed, downloaded, or purchased via the Apple Arcade subscription service, we have adopted this Privacy Policy to guide you on how information you may provide to us via such offerings is collected, stored, and used. Please take a moment to familiarize yourself with these privacy practices and let us know if you have any questions.

Zen Pinball Party collects save data stored on the iCloud for the purpose of saving game progress and tracking in-game achievements. We do not store personal or gameplay data on our servers, and *Zen Pinball Party* does not share data with third parties except Apple Arcade. We use this information to deliver important features of *Zen Pinball Party* to you, including your save games and game progress.

We recognize the need to provide further privacy protections with respect to personal information we may collect from children on our games. *Zen Pinball Party* collects and stores data from children in the same way as for other users, as described in this policy. *Zen Pinball Party's* use of children's data is limited solely to support internal operations of the game. Parents and subscribers can delete data by following these instructions:

- Go to Settings > [your name] > iCloud.
- Tap Manage Storage > Backups.
- Tap the name of the device you're using.
- Tap Delete Backup > Turn Off & Delete.
 - When you delete a backup, it also turns off iCloud Backup of your iPhone, iPad, or iPod touch.
 - Please note that by modifying settings to prevent the collection of or delete data, any progress tracked on the iCloud will be deleted, including save games and achievements.

If you require customer service, we will ask only for the information needed to solve the issue (including, by way of example, unique user ID, e-mail address, device information, OS version, and the nature of your service request) and delete the information as soon as the issue is closed. Sharing this information with us is voluntary.
